BAKING POWDER
Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kind, and cannot be sold in conjunction with the multitude of low-starch, adulterated, or cheaply made powders. Sold only in cans. **ROYAL BAKING POWDER CO.**, 110 Wall Street, New York.

The Walker, Iowa, News, says: "Our old friend, Robert Baird, of Muscatine, Iowa, has been Secretary of the State Senate, and an active politician for years, but was never generally known until he had the colic, and used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and got into one of their advertisements. 'Now he is famous.' Here is what Mr. Baird said: 'While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy.' 25 and 50 cent bottles for sale by G. C. Thaxter.

How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by **BEGGS' CHERRY COUGH SYRUP**? It has no superior and few equals. W. H. Chedie, Druggist.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

The Griffith baby boy, born at Johnstown during the flood, has been appropriately named Moses, because he was taken out of the water, like the great leader of the Chosen people.

Ormsby, who was lately dismissed from the Navy, has entered a suit in the Supreme Court for the District of Columbia against Secretary Tracy, for \$100,000 damages incident to his recent imprisonment at Mare Island, California, his trial and dismissal. ORMSBY FAIR GROUNDS.—The race track is in fine condition; it has been plowed, scraped and rolled, and will be one of the best on the Coast. Mr. Knapp has nearly completed the inside or rail fence. The foundations for the grand stand are under way, and the buildings will be finished as soon as possible. The city has given the lower portion of Reop street, which makes the grounds about 70 feet wider. This street has been filled in and the stands will be placed a few feet West of the old ones, which have been torn down. The Shipman engine to be used for pumping water, has arrived, and will be in working order in a few days.

Nobody's Claim.—All those who attended the performance last night at the opera house, judging from the manner in which they applauded, were thoroughly pleased. Ben Cotton, the greatest negro minstrel that ever graced the stage, has not lost, notwithstanding his age, the power to please and it is a rare treat to witness his perfect delineation of the negro character. His talented daughter is a second Lotta. Her singing and dancing in the second act, of "Nobody's Claim," especially her impersonation of an old darkey, cannot be excelled. Take the company throughout and it is a strong one. The five scene is as fine as any we ever saw produced.—Denver News.

STARVING CATTLE.—Wednesday, M. Brandenstein & Co. shipped about five hundred head of young cattle to their California ranch near San Jose, to feed. These cattle were raised on their Paradise Valley ranch, and would have been fattened here for the San Francisco market, were it not for the drought. As feed is scarce, they decided to ship them to California to prevent them from starving. Several other cattle men are said to be arranging to ship poor cattle to California.—Silver State.

ACQUITTED.—At the preliminary examination, yesterday, before Justice Hawthorne, Miss Jennie Forest was acquitted of the charge of assault with intent to kill the man Casey who entered her lodging house on Thursday in an intoxicated condition and used threatening and abusive language. The Judge holding that a person has a right to defend themselves in their own house when being threatened.

WHEELMEN.—The League of American Wheelmen now numbers 23,660 on its roll, among which may be found the names of F. W. Day, Harry Brown, Will Davis, Homer Thaxter, Harry Lewers, Paul Mighels, Jos. E. Ryan, Frank Steinmetz, Charley Peters and Harry Thaxter, all of Carson. The boys feel proud that they have been admitted to the League, and well they may be, for they are expert bicyclists.

In speaking of Bryan's Restaurant the Enterprise says: E. Bryan keeps the Capitol Restaurant in Carson, opposite the Postoffice. He is one of the most successful caterers in the State, and the Capitol is a favorite with all who enjoy good living. Meals are served at all hours and in the very best style. Particular attention is paid to the slightest preference of guests, and nothing is too much trouble if it will please a patron. The greatest care is given to cleanliness and neatness, and an appetizing meal is assisted by the perfect arrangement of the house. Good tea and coffee are specialties.

THAT LAST WALTZ.—At a party the other evening, a young lady was asked how she was enjoying herself. She replied: "That last waltz was just splendid, and then, you know, these shoes I have on come from Olcovich Bros., and they are the most comfortable shoe I ever wore, and—" but we drifted out of hearing just then. The impression left on the minds of those who heard the remark is clearly this; that for comfortable, durable and low priced shoes of all descriptions you should call on **OLCOVICH BROS.**

Legitime in a Box.

New York, June 27.—The first authentic news from Haiti in two months came yesterday. The steamer Prince Wilhelm which left Port-au-Prince on June 20th arrived yesterday and brought twenty five merchants, who say that it is only a question of time when Hyppolite's army will drive Legitime and his friends from Port-au-Prince. The reason they left Port-au-Prince was that affairs had reached such a point that business was out of the question; everything is stagnant and the towns are overrun with ruffians. There is hardly any money in circulation, and those who can in any way get hold of a little are leaving the country. Provisions are high; flour is selling at \$20 a barrel, and the poorer classes are suffering for the necessities of life and are constantly on the verge of insurrection. In the hills behind Port-au-Prince the armies of Hyppolite are entrenched, and the city, in a measure, is in a state of siege.

A Jesuit Priest.

PHILADELPHIA, June 27.—Thos. Ewing Sherman, the eldest son of W. T. Sherman, of Woodstock College, Howard County, Maryland, will receive the order of sub-Deacon, Deacon and the Priesthood on Friday, Saturday and Sunday of the coming week. Arch-bishop Ryan will confer the order in his own private chapel, and only Bishops and prominent members of the clergy and relatives of the young Jesuit will be present. He entered the novitiate of the Society of Jesus a number of years ago at Rockhampton, England, and has been pursuing his studies and preparation there and in this country since.

Searching for a Burglar.

LA CROSSE, Wis., June 27.—The police and citizens are searching for a burglar who entered the house of John Webber last night and stabbed his daughter Lena, aged eighteen, and tried to stab her sister. The knife disemboweled Lena. She is expected to die momentarily, and if the villain is caught he will be lynched.

What on earth

Is the reason people will not, cannot, or do not see any difference in cheapness trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as **BEGGS' BLOOD PURIFIER & BLOOD MAKER**, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist.

What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when **BEGGS' CHERRY COUGH SYRUP** will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.
